## 1 PURPOSE OF POLICY

Through the grace of God, we have been provided with facilities to be used for His glory and to advance His kingdom in the Bayside area. Although the facilities are not generally open to the public, we make our facilities available to our members and attendees, as well as like minded organisations, in a spirit of charity and as a means of demonstrating the Gospel of Jesus Christ.

- 1.1 This policy sets out how Eastside Community Church determines which organisations, groups and individuals (in addition to approved ministries) are deemed appropriate for utilising space within the facilities, and what conditions of usage apply.
- 1.2 This policy applies to all potential and current users of the premises, including Eastside Community Church ministries.

## 2 PRIORITY OF USE AND PERMITTED USERS

2.1 The following priority schedule is to be followed when our facilities are requested for use:

Priority 1: Regular ministry activities of Eastside Community Church (i.e. Sunday Services, Eastside Youth, Growth Groups, etc.)

Priority 2: Regular or one-off activities hosted by Eastside Community Church (i.e. Explaining Christianity, Membership Course, etc.)

Priority 3: Private activities of members and regular attendees of Eastside (i.e. Weddings, funerals, parties, etc.)

Priority 4: Events/activities hosted by outside organisations/individuals (i.e. para-church events, community events etc.)

2.2 The following are permitted users of our facilities:

2.2.1 Eastside Community Church Ministries

All Eastside ministries maintain priority usage of all facilities, this includes one-off events that may conflict with any other user's repeated usage.

2.2.2 Eastside Community Church Members and Attendees

Private persons who are members or attendees of Eastside Community Church May use our facilities for private activities. For the purpose of this policy, attendees are non-members defined as individuals who regularly attend Eastside Community Church services.

2.2.3 Christian Organisations

Formal Christian organisations (church and para-church) that share a similar mission and vision as Eastside Community Church, as assessed and approved by the elders of Eastside Community Church.

2.2.4 Informal Christian Groups

Informal Christian Groups requesting the use of the premises for an overtly Christian purpose (such as Bible teaching), if assessed and approved by the elders of Eastside Community Church.

2.2.5 Those on an additional approved users' list

At the discretion of the elders of Eastside Community Church, a list of pre-approved organisations, groups, and individuals who may use the premises may be created and amended. Approval is to be sought through the Application for Use of Premises Form in Appendix 1 and will be approved by the elders.
